# **YOUR FRESH CONVENIENCE PARTNER**

## **IN FOOD SERVICE & FOOD INDUSTRY**

**FRESH SALADS & PRE-CUT VEGETABLES  
FOR YOUR PROFESSIONAL KITCHEN**

# A healthier & fitter world: that's our goal at **Heemskerk**

Heemskerk believes that nutritious and delicious food is essential for a healthy body and mind. Our goal is to inspire and support consumers in making healthy food choices. Vegetables and fruits play a crucial role in a balanced diet by providing important vitamins and minerals as well as adding colour and variety to meals. By making healthy food both attractive and simple, Heemskerk contributes to consumer health.

As a family business based in Rijnsburg, Heemskerk produces approximately 500,000 fresh products every day, born of 65 years of passion and craftsmanship, combined with advanced techniques. Heemskerk has extensive experience in recipes, shelf layout, promotions and communications, and enjoys working together to help consumers eat healthily and deliciously.

Our assortment is divided into three markets to best serve you:

## **1. Food retail:**

Providing an extensive assortment of convenience items in fresh produce, including of fresh-cut vegetables, fruits, ready-to-eat salads and meal kits. Your customers can rely on delicious and healthy products for every food moment and any occasion. Together with your category managers we can build a high-performing convenience shelf.

## **2. Food service:**

A range of fresh salads and vegetables in different cuts and packaging sizes. Providing convenient and professional solutions to increase efficiency in your professional kitchen. As a long-term partner for several food service buyers, we can offer products that meet the highest quality standards for food service & quick-service restaurants.

## **3. Food industry:**

A range of fresh products available in different cuts and packaging sizes. With our experience, we can deliver customised products perfectly tailored to your production needs.

The brochure contains further information about our possibilities for both food service and food industry as well as the advantages for your company, our long-term experience and our possibilities for tailor-made solutions. We will be happy to advise you on the range of options.

If you have any questions or specific needs, please do not hesitate to contact our sales team!

With healthy regards,  
**Jantine Heemskerk**  
CEO

Jantine has been a dedicated member of the Heemskerk team for nearly 25 years. With a passion for a healthy lifestyle, she finds joy in staying active, eating healthily and enjoying her family life.

# Food service

## RESTAURANT CHAINS AND QSR

We offer a tailor-made range of sliced vegetables and salads for greater convenience and efficiency in professional kitchens.

**BURGER  
BUILD**

**SALAD  
BUILD**

**PIZZA  
TOPPINGS**

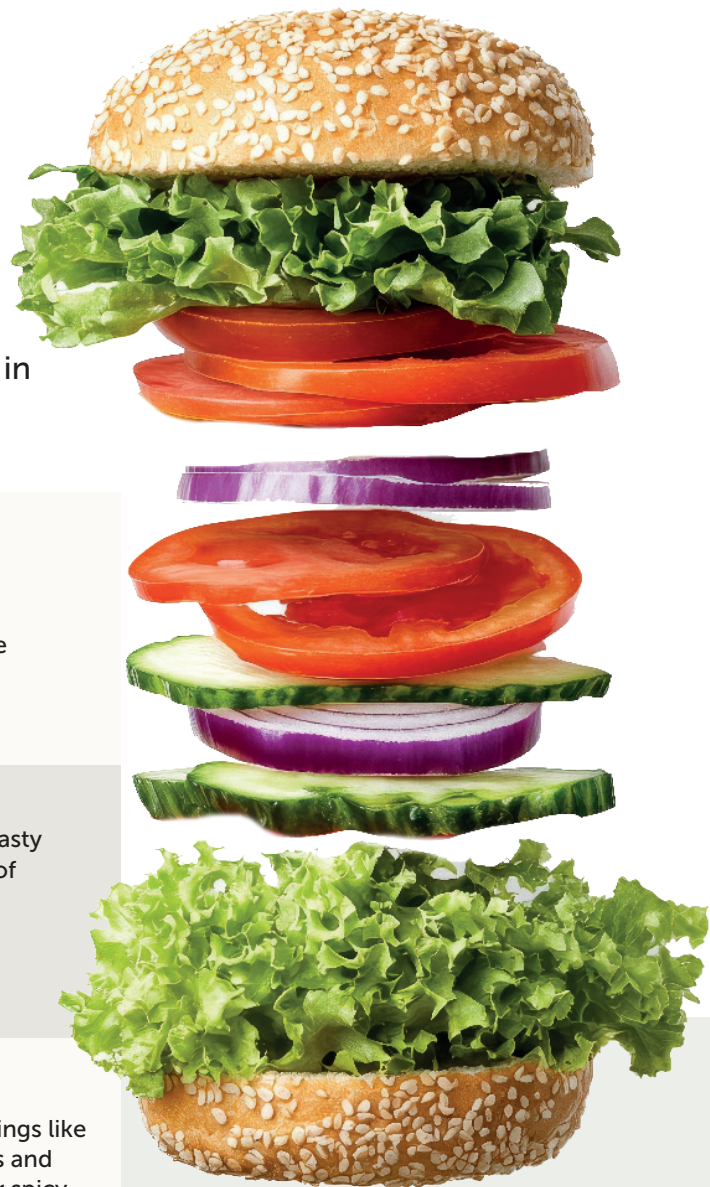

**SANDWICH  
BUILD**

Fresh-cut salads, tomatoes, cucumbers and onions - fresh components to make the perfect hamburger.

To create a perfect fresh and tasty salad, we provide all varieties of lettuce including toppings like carrot, beet julienne, onions, tomatoes or pepper.

We offer a wide range of toppings like tomatoes, onions, mushrooms and paprika for your pizza. Use our spicy rocket at the end for a festive look!

For a tasty, healthy sandwich we have a wide range of fresh ingredients like salads, tomatoes, cucumber, pepper, julienne carrots and beets.

## Tailor-made range

We provide a range of sliced vegetables and salads of consistent quality to match our partners' requirements and specifications - from small to large packaging sizes.

## Logistics partners

In addition to our own fleet, we have long-standing collaborations with logistics partners, ensuring constant deliveries and an optimal supply chain.

We will be happy to assist you with our experience and advise you on the possibilities we offer.

Please contact our sales team for more information
